### Re: Chlorinated paraffins used

Raziol Zibulla & Sohn GmbH hereby confirms that only chlorinated paraffins with a chain length of > C14 are used in any of chlorinated lubricant recipes.

Raziol chlorinated lubricants therefore conform to Directive 2002/45/EC (Restriction of use of short-chain chlorinated paraffins C10 - C13)

Iserlohn, 28/3/2017

Yours sincerely,
